

# 2021 Scholarship Sponsor

A Special Thank You to

for helping to Build Tomorrow's Aerospace Workforce.  
Your generous scholarship donation will help

**Kevin Kelly**

complete his aerospace education to serve  
our industry in the future.

*PNAA Scholarship Recipient Kevin Kelly, Everett Community College*

## Student Profile

**Student:** Kevin Kelly

**College:** Everett Community College

**GPA:** 3.89

**Program of Study:** Aviation Maintenance Technology

### **What are your plans after completion of the program?**

I would like to get field experience and further my education and enroll into a Data Science program. My goal is to learn about predictive and increase the maintenance operations in the airline industry.

### **How will this scholarship assist you?**

The scholarship would help me relief financial stress and help pay for tools and supplies.

### **Tell us about yourself, your likes, and relevant background information prior to and during taking the program of study.**

I have worked in aerospace manufacturing and civil engineering. After realizing that working with aircraft and solving problems was my passion, I decided to join the Aviation Maintenance program at Everett Community College. My grandfather was a pilot and I credit him for exposing me to aviation and aerospace. He would take my sister and I airport hopping across New Jersey to visit other pilots and mechanics. I was always impressed by the level of knowledge and passion pilots and mechanics have for the industry. I am also learning computer science and Data Science independently while in school and keeping up with my mechanical skills with general contracting work for friends and neighbors.
